Thumb - Using main color, knit up 3 stitches across bottom edge of purled stitches on one needle, turn mitten upside down and knit up 3 stitches across top edge of purled stitches on a second needle.

Working circularly, knit 3 rounds.

Note: if you find it difficult to work with stitches just on two needles, divide them between three needles.

Cut yarn leaving a 6" (15cm) tail.

Using a yarn needle, pull tail through 6 remaining stitches. Draw up tight, pull end to inside and weave in on inside.

Finishing - Braid the three long tails at the cuff and knot the end. Trim ends to neaten.

If you are comfortable working with i-cord or doing double knitting, you may of course work these mittens using just two needles rather than 4.
